On behalf of the Organization Board, we would like to welcome you and invite you to the 13th Symposium KOPAČKI RIT, PAST, PRESENT AND FUTURE 2024 with international participation, which will be held on **Wednesday and Thursday, October 2nd and 3rd, 2024 in Osijek**, at the Faculty of Agrobiotechnical Sciences Osijek.

Aims of the Symposium:

Connection and promotion of an interdisciplinary and innovative approach to nature protection and its benefit through the cooperation with stakeholders and permissive users practicing sustainable management of natural resources in order to improve the competitiveness and development of society. Contribution of foreign participants rise this Symposium and Nature Park “Kopački rit” to a higher level and its significance extended beyond the borders of the Republic of Croatia. Contributions from various scientific fields can be presented at the symposium. We kindly invite potential participants to prepare an oral or poster presentation on their research results from Nature Park “Kopački rit” or related topics in the field of nature protection, cultural heritage and sustainable use of natural resources.

The final programme will be additionally published, depending on the number of received abstracts.

The abstracts of oral and poster presentations will be published in the Symposium Book of Abstracts.

Instructions for Abstract Writing

Since the symposium is of international character, abstracts need to be written in **English language**.

Participants should write their abstracts in English language in **MS Word**, A-4 format, margins 2.5 cm, Times New Roman font, size 12, single space. The abstract should consist of: title; author (s) name and surname; name and address of institution; authors e-mail and other contact; abstract text and key words. Authors from several institutions should be marked with different numbers after surname. The abstract should consist of 400 words maximum. In the abstract, the aims of work, main research results, and short conclusion should be described.

At the end of the summary, indicate the form of the communication: oral or poster.

Abstracts should be sent in .doc or .docx format to: (<https://form.jotform.com/240663218753054>).

The deadline for abstract submission is September 8th, 2024.
